As desired by the Dewan I have discussed
with the Secy L&L and the Asst Secy
in charge as to the reasons for which
the names of the Vicarage & have not
been included among the list of persons
entitled to exemptions. Those names are
not included in the existing schedule
to the Arms Act Rules at present in
force. It seems however necessary to
include them. It is desirable to add
the exceptions (1)(a)(b)(c) contained in the
schedule I to the British Arms Act Rules.
The persons who may be thus given
exemption may if considered necessary discussed
at a meeting of Council. We have so far been
acting on the principle that Council
exemptions given in Br Dists are good here
too. But this is not legally correct.
We have to provide for such cases by
Rules which will be issued [illegible]

Submitted to His Highness.

12 His Highness was pleased to accord sanction on the 1st of May 1926, to the revision of the Mysore Arms Rules 1917, which are in force in the State. The Rules as revised were accordingly published in the Gazette, and are intended to take effect from the 1st of September 1926, in order that the public may have sufficien notice of the law that will hereafter be in force. In the meanwhile, the Hon'ble the Resident in Mysore, during a personal conversation with me remarked that the Viceroy and Governor General of India and others including the Resident in Mysore were not included in the list of exemptions appended to the revised rules.

13 The question of exemptions was considered afresh in Council, which was of the following opinion:-

> "The Viceroy and Governor General of India and the British Resident may be exempted. Only Ruling Princes entitled to a salute of guns should be exempted and no general exemption to Rajas, Nawabs, Peers, Baronets, etc., as now proposed. A revised schedule may be prepared."

14 A draft of an amendment embodying this opinion is accordingly prepared and it is proposed to send a copy of the same to th Hon'ble the Resident with a request to be informed as to whether the amendment satisfies the requirements to which attention was drawn by him.

15 I solicit the gracious approval of His Highness to the action proposed to be taken.

it is hardly fair to treat the Coorgs on a better footing. Under the British Indian Rules, they are exempted because of the Treaty they have with the British Govt. Under the Old rules in Mysore, they got exemption for the reason that Mysore was then under the the Commissioner, (xxxxxx) and the Arms Rules issued then (1874) were based on the rules in force in British India & the exemptions to Coorgs necessarily found a place. If in Coorg, Mysoreans are granted the privilege of exemption, we may reciprocate & exempt them here.

Amendments to the Revised Arms Rules.

(39) Reference is requested to the Dewan's Submission Note dated 7th August 1926 regarding the omission of the Viceroy and Governor General and the Hon'ble the Resident in Mysore in the list of exemptions appended to the Revised Arms Rules, pointed out by the Hon'ble the Resident and the opinion of the Council to exempt them.

(40) The draft of an amendment to the list of exemptions in accordance with the opinion of the Council was sent to the Hon'ble the Resident with an enquiry as to whether the amendment satisfied the requirements to which attention was drawn by him. The Resident has, after discussion of the matter with the Dewan, suggested the substitution of the following for items 1 and 2 of Schedule I of the Rules, with a view to bring the Mysore Rules approximately into line with the Indian Arms Rules.

"1. The Viceroy and Governor General of India, the Commander-in-Chief in India, the Governors of Provinces in British India, Members of the Governor-General's Executive Council, the Commander-in-Chief of His Majesty's Naval Forces in the East Indies and the British Resident in Mysore.

2. (a) Members of His Highness the Maharaja's Family.

(b) Every Ruling Prince and Chief having a salute of guns.

(c) Every Ruling Chief not having a salute of guns; Every Maharaja, Raja or Nawab whose title has been conferred or recognised by the Government of India, and every Peer, Baronet, Knight Bachelor and Knight of any Order established by His Majesty the King-Emperor.

(d) Such officials and other persons in British India or Indian States as may from time to time be designated by office or by name by the Government of His Highness the Maharaja.

(e) All officials of British India or States in India passing through the limits of the Mysore State on duty, and

(f) Every Consul and Consular Agent".

(41) The Resident has also suggested that the following may be exempted under item 2(d) as revised above:-

"Privy Councillors.

Members of the Council of India,

The Metropolitan in India and the Lord Bishop of Madras,

Residents of the First class in the Foreign and Political Depar ment of the Government of India,

British Military officers of and above the rank of Lieutenant-General,

The Chief Commissioner of Railways in India".

42 The Resident has further pointed out that the exemption of Jumma Coorgs which existed under the old rules has been withdrawn in the new rules and invited the views of His Highness' Government in th matter.

43 The proposals contained in paras 2 and 3 above are agreed to b the Dewan and the Members of Council. It is proposed to inform the R sident that his proposals are accepted and that the rules will be ame ed accordingly.

44 The enquiry as regards Coorgs is probably due to their exempti in British India and till recently in Mysore also. They enjoy exemption in British India, because of the Treaty they have with the Briti Government and the privilege which they claimed hitherto in Mysore un the old rules was partly because when the exemption was granted, Mysore was under a Commissioner and the exemptions then in force in British Indi were apparently adopted here. When the people of the State are subje to the obligations and restrictions imposed by the Arms Rules and eve European British subjects who were entitled to exemption till now hav lost that privilege, there is no reason why the privilege should be continued in favour of the Coorgs. It is proposed to send a reply on these lines to the Resident.

45 Gracious approval of His Highness is solicited to the action proposed to be taken as above.

57 First amendment to clause 3 in Rule 23.

In Government of India Notification dated 19th August 1926 (Flag A) a proviso was added to sub-rule 8 of Rules 46 of the Indian Arms Rules in force in British India corresponding to Rule clause 4 of the Mysore Arms Rules, as follows:-

"Provided that if the application for a rene is not made within one month of the date on whic the license expires, the licensing authority may at his discretion levy at the rates specified in Form (XVI). Form IX of our rules corresponds to Form XVI of the Indian Arms Rules. It has b ordered to include a similar provision to ru Clause 3.

"Any license granted under sub-rule (1) may be made valid by the District Magistrate throughout the District in which it is granted or any specified part thereof or throughout the Mysore Province".

3. A communication was received from the Residency (Flag P). Accordingly Schedule 1 is to be amended with the addition of another name viz., — that of His Holiness Sri Puttige Mutt Swami, Udipi Thirthahalli Taluk, as ordered by the Member (Flag

4. In Form X of the schedule 4 of the Mysore Arms Rules in the heading column 2 the word 'brie should be substituted for the word 'British' which was a mistake.

5. In consequence of the amendment made in para 2 above the heading column 10 in Form IX of Schedule 4 has to be modified by substituting for the words "District or place in which the license is valid" the following words "extent of validity of license, that is, throughout Mysore Province or District or any specified area".

6. In Rule 9 clause 4 it is stated that every Police Officer not below the rank of an Inspector may enter and inspect etc. Whereas in condition 3rd of each of the Forms III, IV, V and VI of Schedule 4 it is stated "or if the Government so directs et

63 7. Kind reference is invited to the letter from the Residency (Flag F) wherein it will be seen that a suggestion is made to amend Secn.1 of the Arms ~~Act~~ Regulation. This can be done only by a amending the Regulation. Action will be take separately if approved. The other suggestion made are to include the members of the Auxilia Force in schedule 1 of the Mysore Arms Rules, exemption in respect of single barrel rifles o .303 bore required for match shooting purposes subject to certain restrictions. With repar to this, kind attention is invited to page 29 o the Indian Arms Rules wherein those officers a included in Schedule 1. In this connection k attention is invited to the Member's Orders (F G) It will be seen in item 8 of Schedule 1 that officers of the Indian State Forces are a exempted equally with officers of the Indian Auxiliary force". If approved officers of the Mysore State Forces will also be included with the ~~xxxiiixxx~~ officers of the Indiah Auxiliary force in Schedule 1.

9. The District Magistrate of Mysore has dr attention to condition 9 in license form IX, and states that whereas the condition says "game-birds and animals hereinafter set forth below", mention is not made of such game-birds and animals in th form and wants that ~~that~~ more may be inserted.

In this connection kind attention is invite to form XVI of the Indian Arms Rules which corre ponds to form IX of our rules and condition 10 which corresponds to condition 9 of our rules. There also the same words occur. It is therefo for consideration whether the words "hereinafter set-forth below" should be deleted as was ordere (Flag T)

Kind reference is invited to shooting and game rules on page 161 of the Mysore Forest Manu which contains the rules under the Mysore Game a Fish Preservation rules, 1901. The Game and Fi Preservation Regulation and the rules framed the under prescribe game-birds and animals that cann be killed, the close season etc. and a perusal o the rules shows that the close season is not uni throughout the Province but is different in cert Districts. It seems to be therefore necessary the District Magistrate to insert in Form No. IX when issued for the purpose of sport, the kind of animals and the close season pertaining to his district. It is therefore submitted that the Form may remain as it is, and the District Magistrates be instructed to insert the close season and the animals as prescribed b the Rules under the Games and Fish Preservation Rules.

It is submitted that it is not possible for Government to specify such wild beasts for the whole State since the wild animals which may be so destroyed - would vary in different parts of the State. Form 18 of the Indian Arms Rules corresponds to Form 10 of our rules and it contains a similar column. No specification is made therein.

It is submitted that it is the District Magistrate that should specify the animals in this -- column while granting the license and such specification may not be difficult for him, for the person who applies for the license in this Form would -- mention or would be required to mention in his -- application the kind of animals which do injury to human beings or cattle.

D.O. No. 8050 Encl

THE MYSORE RESIDENCY,
BANGALORE 17th SEPTEMBER 1926.

Dear Mr. D'Souza,

With reference to your demi-official letter No.Pol.170, dated the 14th August 1926, I am desired to say that the Resident has discussed with the Dewan the question of the amendment to the Rules under the Mysore Arms Regulation and suggests the following amendments, which are designed to bring the Mysore Rules approximately into line with the Rules under the Indian Arms Act.-

In the first column of Schedule I of the Rules, for items 1 & 2 the following should be substituted.-

"1. The Viceroy & Governor General of India, the Commander-in-Chief in India, the Governors of Provinces in British India, Members of the Governor General's Executive Council, the Commander-in-Chief of His Majesty's Naval Forces in the East Indies and the British Resident in Mysore.

2. (a) Members of His Highness the Maharaja's family;

(b) Every Ruling Prince and Chief having a salute of guns;

(c) Every Ruling Chief not having a salute of guns; Every Maharaja, Raja or Nawab whose title has been conferred or recognised by the Government of India, and every Peer, Baronet, Knight Bachelor and Knight of any Order established by His Majesty the King-Emperor;

(d) Such officials and other persons in British India or Indian States as may from time to time be designated by office or by name by the Government of His Highness the Maharaja;

(e) All officials of British India or States in India passing through the limits of the Mysore State on duty; and

(f) Every Consul and Consular Agent".

As regards the above items 1 and 2 and also as regards items 3, 4, 5, 6(a), 10 and 11 in the first column, the entry in the second column

"All except

(a) Cannon
(b) Articles designed for torpedo service
(c) War rockets
(d) Machinery for the manufacture of arms and ammunition"

should be deleted and the following entry substituted:-

"All except

(a) Cannon;
(b) Articles designed for torpedo service;
(c) War rockets;
(d) Rifles of .303 or .450 bore and revolvers or pistols of .441, .455 or any intermediate bore (and ammunition which can be fired from the same) not lawfully imported into British India;
(e) Machinery for the manufacture of arms or ammunition; and
(f) Appliances the object of which is the silencing of firearms".

As regards item 1 in the first column, the present entry in the third column should be deleted; the present entry in the third column should however stand as against the new item 2, and items 3, 4, 5, 6 (a), 10 and 11.

The Resident suggests that a Notification should issue under item 2 (d) of the first column of schedule I exempting the following:-

Privy Councillors,
Members of the Council of India,
The Metropolitan in India and the Lord Bishop of Madras,
Residents of the First Class in the Foreign and Political Department of the Government of India,
British Military Officers of and above the rank of Lieutenant-General,
The Chief Commissioner of Railways in India.

As regards the exemption of Jumma Coorgs which existed under the old Rules and has now been omitted from the new Rules, the Resident would welcome a summary of the views of His Highness's Government on this matter.

The suggested amendments are attached herewith in the tabular form of an amended Schedule I.

Yours sincerely,
Thomas-Arden

P. G. D'Souza, Esq., B.A., B.L.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

THE MYSORE ARMS RULES, 1926.

Dear Mr. D'Souza,

In continuation of my demi-official letter No.8050, dated the 7th September 1926, I am desired to say that the General Officer ommanding, Madras District, has represented to the Hon'ble the - esident that under the Mysore Arms Rules, 1926, members of the uxiliary Force who are residing in the Mysore State cannot get icenses for possession of arms and going armed free of fee. This estriction in the State would, he considers, create discontent mong the members of the Force as such members in other parts of ndia enjoy the privilege of obtaining free licenses.

2. In British India a member of the forces constituted by the uxiliary Force Act, 1920, enjoys the following privileges:-

(1) Under section 1 of the Indian Arms Act, 1878, as amended by ection 35 of the Auxiliary Force Act, 1920, the arms etc., possessed y a member of the Auxiliary Force in the course of his duty as such ember do not come within the scope of the Act.

(2) Under entry (8) in Schedule I of the Indian Arms Rules, 1924, very person enrolled under the Auxiliary Force Act is exempt from the peration of the prohibitions and directions contained in the Indian rms Act, 1878, in respect of single barrel rifles of .303 bore require or match shooting purposes subject to certain restrictions.

(3) Under entry 1(a) in Schedule VII of the Indian Arms Rules, 1924 arrant officers, Non-Commissioned Officers and soldiers in the uxiliary Force need not pay fees for a license in Form XVI.

3. I am to bring the above concessions to the notice of the overnment of Mysore and to invite a consideration of the question hether such concessions should not be extended to the members of the orce who reside in Mysore. In order to give effect to this proposal he following changes seem to be necessary:-

(1) Amendment of section 1 of the Mysore Arms Regulation by

substituting the words 'a member of either of the forces constituted by the Indian Territorial Force Act, 1920, or the Auxiliary Force Act, 1920', for the words 'a volunteer enrolled under the Indian Volunteers Act, 1869' and the word 'member' for 'volunteer'.

(2) Insertion in schedule I of the Mysore Arms Rules of an entry similar to entry (8) in Schedule I of the Indian Arms Rules, 1924, in respect of members of the Auxiliary Force.

(3) Insertion of a schedule in the Mysore Arms Rules providing for the grant to members of the Auxiliary Force of licenses for the possession of arms and going armed free of fee.

Yours sincerely

The Secretary to the Hon'ble the
Resident in Mysore.

Sir,

With reference to your D.O.letter No.8050 dated 17-9-1926 re. amendments to the Mysore Arms Rules of 1926, I am directed to state that the amendments suggested by you are designed to bring the Mysore Rules approximately into line with those obtaining in British India and are acceptable to the Government of H.H. the Maharaja of Mysore. Schedule I of the Rules will be amended accordingly and the necessary notification issued.

Regarding exemption of Jumma Coorgs referred to in the penultimate para of your letter under reply, I am directed to observe that in British India the privileges is enjoyed for reasons which do not apply to Mysore. There is probably an express grant of the privilege to the Coorgs. When the old rules were first promulgated in Mysore before Mysore was under Commission and naturally exemptions prevailing in the British India, including that in favour of the Coorgs, were incorporate in the Mysore Rules also. When the people of the country are subject to the obligations and restrictions imposed by the Arms Rules and even the European British Subjects who were entitled to exemptions till now, have lost that privilege, His Highness' Govt. see no reason why the exemption should be continued in favour of the Coorgs.

I have etc.

Dear Mr Srikanta Iyer

Please refer to para 2(2) and para 3 (2) of your office DO letter No 9826 dt 12.11.1926 regarding the exemption of persons enrolled under the Auxiliary Force Act from the operation of the prohibitions & directions contained in the Indian Arms Act & the rules thereunder. In adopting the suggestion in para 3 (2) of the said communication for inserting an entry in Sch I of the Indian arms rules similar to entry (8) in Sch I of the Indian Arms Act a doubt has been felt as to whether the word "regimental officers" includes Warrant officers, non-commissioned

Dear Mr. Singaravelu Mudaliar,

Your demi-official letter No.T.5790/Police, dated the 5th May 1927.

It seems that the words 'Regimental Officers, Warrant Officers, Non-Commissioned Officers' occurring in provisos 3 and 4 in column 3 of schedule I of the Indian Arms Rules, 1924, against entry 8, should be retained if the Government of Mysore decide to insert a similar entry in the Mysore Arms Rules.

The delay may kindly be excused.
